RE: Ex Parte  
Application by BellSouth Telecommunications, Inc. and BellSouth Long  
Distance, Inc. for Provisioning of In-Region, interLATA Service in South  
Carolina, CC Docket No. 97-208

Dear Ms. Roman Salas:

On Wednesday April 15, 1998, Nancy Dalton, Surrendra Saboo, Michelle Bourianoff, Julie Cooper, Bill Morris, and David Kittell of AT&T and John Redmon of Davis, Webber, & Edwards P.C. met with Jake Jennings and William Agee of the Common Carrier Bureau's Policy and Planning Division at AT&T's Customer Service Center in Dallas, Texas. The purpose of this meeting was to demonstrate and discuss AT&T's experiences interfacing with and utilizing Southwestern Bell's Operational Support Systems and to explain why those systems do not offer CLECs a non-discriminatory means of accessing SBC's OSS. Attached are summary flow charts used during the meeting.

Two copies of this Notice are being submitted to the Secretary of the FCC in accordance with Section 1.1206(a)(1) of the Commission's rules.

Sincerely,

*Robert W. Quinn, Jr.*
